Dear Parents /Guardians,

Re: END OF THIRD TERM – 2025 CIRCULAR 2

As we end our term today, we are excited to share some of our incredible highlights and achievements of our learners. The term has been full of excitement, growth and unforgettable experiences. We thank the Almighty God for his protection, love and blessings throughout the year.

Our theme for the year has been "In a **resilient community, success is assured**" and our greeting slogan "**At Glorious, excellence is a must.**"

- ✓ Our Teacher-Parent Contact Day was successful, we are greatly indebted to you for your love and care to the future generation.
- ✓ We had a dedication mass for our Primary seven candidates and our main celebrant was Rev.Fr.Joseph Zinguluka.
- ✓ We had a massive science fair and 16th graduation ceremony for Kindergarten.

ACADEMIC ISSUES

- ✓ Our learners have made tremendous strides in their academic journey. Majority were promoted to their next classes on merit, a few on trial and very few didn't meet our academic standards thus advised to repeat their classes.
- ✓ A total of 167 Pre-Primary pupils graduated to Primary level.
- ✓ We presented 118 candidates and we are praying for special blessings upon them.

CLUBS

- ✓ Clubs have helped us to boost our children's esteem, as well as enhancing their talents. Thank you for your support.
- ✓ We will organize a **soccer gala** for our learners next term. It will be an exciting day of soccer and fun. Details will be communicated as soon as the learners are ready to exhibit.
- ✓ Our ballerinas have continued to enjoy their ballet classes, those to join the club next year will have to buy ballet dance costumes.
- ✓ Piano lessons also, excited our learners, the team has ensured that our learners get fun-based piano lessons.
